Email: skoo@projectslices.com

**Corporate Culture Change Specialist**  
**Leadership and Professional Development Trainer**  
**Change Behavior Professional in Incivility Issues**

Her expertise guides clients to:

1. Reassess their core values to align with organizational goals
2. Reduce or eliminate barriers and deescalate negative behaviors
3. Build essential leadership and interpersonal skills to become motivated, productive, and civil in the workplace
4. Solve difficult human engagement dilemmas, creating greater acceptance and broadening perceptions

For more than 15 years, Sarai has helped corporations change their cultures to become more innovating and creating workforces. She shifted employees' attitudes to be more accepting of new ideas and aligning employees to corporate values.

She has created more than 200 leadership, organizational, behavioral change services, training, and presentations using facilitation, lectures, and other methodologies in more than 36 different organizations.
